

HOMER

Summer Reading Challenge

INSTRUCTIONS:

- Choose a story from the Summer Reading Challenge menu.
- Print and cut out the sun we provided.
- Write the story's title in the sun, then decorate!
- Punch a hole in the sun and use string to hang it up in your child's room to create their very own Storytime Summer Suns.
- Repeat for every story they read!
- We'd love to see your child's decorated suns and hear about their favorite stories. Please share with the HOMER community by tagging **#HOMERReadingChallenge**.
